

HOMES for HOPE was established in 2008 and works in 3 areas:

- Homes that requires maintenance,
- Homes that need rehabilitation
- Training young adults in the areas of home / building maintenance and home rehab

James 1:27 says "Pure and lasting religion in the sight of God our Father means that we must care for orphans (children) and widows (seniors) in their troubles..."

HOMES for HOPE provides service to our seniors and other families who cannot maintain their homes for no direct charge. We will provide to the home owner with a list of materials that were used on the home but the cost is free.

HOMES for HOPE rehabilitates houses for sale. During rehabilitation these homes are utilized as class rooms for the training of young adults. Once these houses are completed they are sold to families that have been counseled in the area of finance and can afford the home.

One of the goals of HOMES FOR HOPE is teaching a marketable skill set to our young adults. We recognize that far too many of our young adults lack the skill set that will be needed to provide a sustainable income to raise a family. Our plan is implementing a progressive training program using a combination of mentors and professionals. We take an individual with no working knowledge of home maintenance / rehabilitation and over time provide them with on the job training along with both formal and informal training in electrical, plumbing, carpentry and HVAC.

Prizes include 1st, 2nd, longest drive, longest putt, closest to the pin, door prizes and others.

To assist HOMES for HOPE and support our marketing efforts, consider the following items tax deductible: *Hole Sponsorship* at \$120.00 per hole. Prize donations (Gift certificates, Apparel, Equipment or monetary gifts).

If you would like to donate prizes to this year's golf outing, please contact LeAnn Luke @ 810.964.4664 or LeAnn\_labelle@comcast.net. *Monetary contributions* to HOMES for HOPE or to offset tournament expenses, (food, printing) are also appreciated.

	<b>We will sponsor a hole for \$120.00</b>
